BLEED AREA
The document should cut 3mm from the edge of your finished artwork. All images or colour text are required to print to the edge of the document should be extended to avoid the chance of any white lines during the print finishing process.

SAFETY AREA
Added to the bleed area, this area will ensure that any text or images are not lost during the print finishing process. Anything placed outside this area will be trimmed off during the print finishing process.

TRIM AREA
This is the finished size of your document. Anything placed outside this area will be trimmed off during the print finishing process.

HOW TO CREATE YOUR PRINT READY PDF
Please use the following instructions to create your PDF
